** **Please attach Directions to the Jobsite**

** Did you receive the "Quality Installation Checklist? **Yes** or **No**

** ***Any details used on this project not provided by AIM INC. must be submitted to AIM INC. for review and written approval must be provided by AIM INC. prior to installation.***

** We are familiar with and understand the manufacturer's Standard Erection Manuals and Specifications, as well as the job specific details for the panel type(s) installed on this project.

** We agree that any inspections performed by AIM INC. or any independent third-party inspector are for warranty purposes only and do not modify our contract with AIM INC. or affect in any way our contractual responsibilities to AIM INC. or others, including but not limited to responsibility for installation of the roof system, nor does the inspection ratify or approve any errors or deficiencies in erection or otherwise regarding the structure by us, our subcontractors, or any other persons.

** We have inspected the installation and find all areas are complete and in accordance with AIM INC.'s drawings, manuals, and specifications.

** We understand that a warranty will not be issued if the inspectors find any discrepancy with the installation in accordance with the drawings, manuals, and specifications or any evidence that weather-tightness has not been achieved in any area.

** **We understand that if items are not complete and installed properly, a re-inspection will be necessary, and we agree to pay the inspection fee plus portal-to-portal expenses.**

** We understand the terms and charges stated above, and we understand the warranty will not be issued until all obligations to and charges of AIM INC. have been paid in full.

** We agree that the Contractor is to provide safe and adequate access to the roof.

** Please allow 1-2 weeks for scheduling
