

YOU ARE INVITED!

Architectural Integrated Metals, Inc. will be holding a contractor/roofer certification school that will certify and register your company and designee as an AIM, *ACE Contractor* (AIM Certification of Excellence.) This timely and comprehensive course will involve training and education in the classroom and hands-on instruction in our lab. All attendees must take and pass a written and field exam. **(English Only).**

Certification Class Dates: December 7-8, 2011

All Classes and Lab training will be held at the AIM Corporate office located at: 1724 Northside Industrial Blvd. Columbus, GA 31904. Class begins 7:00 AM

The cost of admission for this class will be **\$500.00** per person. Each participant will be responsible for their costs of lodging, travel, and meals. If you plan to attend, please provide us the following information and forward a check payable to Architectural Integrated Metals, Inc. (mail to above address) or provide us your credit card information to cover the costs of the class.
